

# Term 1 Week 6

## NEWSLETTER

### Principal Report

We are well into Term 1 and the students are settled and engaged in their learning. NAPLAN for students in Years 3 and 5 will begin during Week 7. Students have been completing activities to become familiar with the online platform and the layout of the assessment.

I'd like to congratulate students on their attendance and parents and carers for following up on any explanations for an absence. Our aim this year is to reduce the amount of unexplained absences we have in our roll marking system. If a child is absent a SMS or email will be sent out requesting an explanation. The quick response we have had to these has been terrific and I thank you for this.

If there is a change in who is to pick up your child of an afternoon could you please notify the office so the message can be passed onto the teachers on gate duty. We request that parents and carers wait outside the gate area so we can ensure duty of care for our student's safety and wellbeing.

Please enjoy the photos of the many fun things our students have been engaged in over the past few weeks.

### Upcoming Events

- 29 March  
Good Friday
- 1 April  
Easter Monday

Students have been enjoying some fun activities. Chelsea and Ruby have formed a dance group and Noah has been harvesting our vegetables.
