Uniform policy

This policy has been developed and endorsed by the Cullen Bullen Public School community through the Parents and Citizens Association.

Basic principles

- School uniform builds a sense of community and ownership amongst students. This instills pride in the school and its attainments as well as forming a lasting impression of the school in the wider community.
- School uniform allows students to be easily identified by staff. Similarly, persons who are not part of the school are easily recognised ensuring a high level of security at all times.
- School uniform, if worn correctly and consistently, builds student self-esteem, confidence and a sense of belonging.
- School uniform is the most economical and sensible way to dress students for school.

- While a student won't be suspended solely for not wearing school uniform, ongoing non-compliance will be regarded as an infringement of the school's student discipline policy.
