Road Safety - Stop! Look! Listen! Think!

At school, your child will learn about road safety as part of Personal Development, Health and Physical Education. When you walk with your child, talk about safe behaviour.

- give them lots of supervised practice with you or another trusted adult.
- talk with and teach your child about being alert in a road environment.
- always hold your child's hand.
- point out dangers, such as vehicles coming out of driveways.
- use pedestrian crossings and traffic lights correctly.

Save the date

As part of **National Bullying Prevention Week: 16-20 November, 2020** our students will participate in learning activities to understand the negative impacts of bullying.

PBL: Positive Behaviour for Learning

- increased time focused on instruction
- improved social-emotional wellbeing
- positive and respectful relationships
- a predictable learning environment where staff and students know what is expected to deliver effective practices that can be sustained over time.
