Term 4 – Week 9 & 10

From the Relieving Principal

We are looking forward to our Presentation Night on Monday 16th December 5:30-7:00pm. A big thankyou to our P&C for providing the evening's refreshments and food. We are asking **each staff member and family to bring along a plate of food to contribute to the supper provided.** Thank you. On that evening you will receive your child's Anthology and Semester 2 Academic School Report. We are very excited about celebrating every child's achievement on Presentation Night. We are looking forward to seeing you there!

I would like to say thank you to the whole school community for making me feel so welcome and supported here at our beautiful school. It has been a great pleasure to teach your children and wonderful to see every child happy and learning and progressing and achieving. The children here are creative, clever and curious and it has been wonderful to have had the opportunity to teach them. The staff and I wish you all a safe and relaxing holiday and a very merry Christmas. May 2020 bring you and your families every happiness. Thank you and take care.
