- The Premier announced that stay-at-home restrictions have been introduced for a period of 7 days.
- There will be minimal supervision on site at our school for those students who cannot be educated at home, for example if their parent or carer is an essential worker.
- All students and families will be supported with learning from home materials and resources.
- If you are working from home, and your child can be educated from home, please keep them at home.
- We'd also like to remind you to download the NSW school updates app onto your phone, if you haven't already done so, to receive the latest updates about the operational status of your child's school.

I want to thank all our families for your support during this time. Please get in touch with your teacher to discuss any additional needs for your child or family to support you to learn from home.

Thank you for your support.
