Term 4 Week 9

- Establish a home reading routine and read aloud with your children every day.

- During home reading time, turn off electronic devices and give each child ten minutes of your undivided attention.

- Before you read a book, set your child up for success. Talk about the illustrations and the title. Read the blurb and talk about the author, talk about any unusual words, read a page here and there as your child flicks through the book, discuss the characters.

- Find a reading time that works for your family. Ask

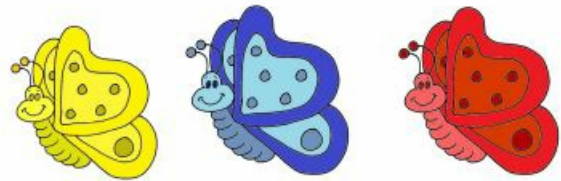

questions that encourage discussion, for example: What was your favourite part? Tell me about the characters. What do you think will happen next? What did you think about that setting? What do like/dislike about this book?

- Encourage your child to read independently. The less you interrupt the 10 minutes of reading, the more you are supporting the readers independence, resilience, and confidence.

- Model what it means to be an enthusiastic reader. Create a home of readers where everyone reads multi-modal texts: "It is just what we do in this house!"

PBL focus: Stay on task and be productive!!

Student of the Week
Congratulations to Kayla Harvey for being a respectful, safe, and responsible student.
