Term 3 – Week 3

## Creating futures – education changes lives

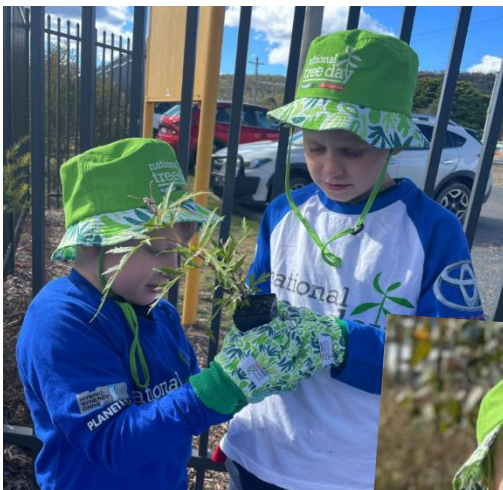

Education Week is an annual celebration of NSW Public Education and achievements of our schools, students, and education system.

This year we celebrate the journey students and learners take throughout the NSW Education system, focusing on how we are creating futures for our students, staff, families, and communities.

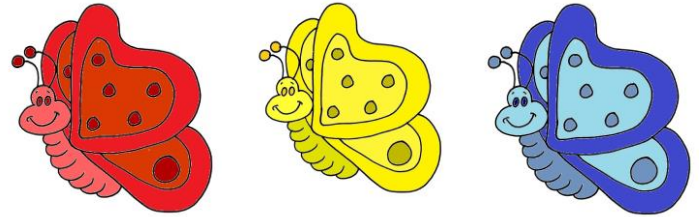

*We celebrate all types of learning and are committed to preparing young people to be agile thinkers and lifelong learners.*

### National Tree Day

Last Friday our school joined the Planet Ark's School's Tree Day. This is part of a national initiative that encourages everyone in the community including schools to volunteer their time to get their hands dirty in tree-planting events, while greening our cities along the way.

## **PBL focus:** Caring for belongings and looking after school property.

*This week teachers will help students to develop pride and respect by looking after their own items and school property.*

To help our school, we ask parents and carers to please label all items of school clothing. Should your child accidentally bring another student's item of clothing home, we ask that it be returned the next day.

### Student of the Week

**Congratulations to Dominique** for being a **respectful, safe, and responsible** student. **Well done, Dom!**

### **\$5 Friday Meal deal**

*This week we have a choice of,*

**Wedges or hotdogs** + jelly/custard cup and a drink.

*Melinda Suttor*
