

Term 1 Week 10

NEWSLETTER

Principal Report

Dear parents and carers, I hope you all enjoyed the Easter long weekend and had the chance to relax and do some fun things together. It has been a very busy term with lots of amazing learning opportunities for our students and staff.

Last week Chelsea attended the GRIP leadership day in Bathurst where she collaborated with leaders from other schools about the skills that effective leaders need. I look forward to her hearing about her ideas and suggestions. Monday and Wednesday afternoons in Week 11 have been allocated to parent meetings with Miss Tracey K-3 and Mrs Lang 4-6. Times were sent out to families last week. If you have not responded to your note yet, please contact the office.

Term 2 events are already in the planning stage and notes will be coming home in the next few weeks. We will be combining with Hampton PS to run our highly successful athletics program. We hope to finish off with a combined carnival. Early in the term the Lions Eye Health Program will be visiting to screen the eyesight of children who are not already under the care of an optometrist. More information will be coming home this week. On Wednesday Week 2 we have the Life Education van on site and welcome our friends from Hampton PS to join us for a day of fun learning with Healthy Harold.

Upcoming Events

- Lions Eye Health Program
- Healthy Harold
- Athletics
